## **2017 TOOLS FOR SCHOOL**

**Please help Sharing & Caring provide school supplies for children whose families are unable to purchase them. Last year we provided school supplies for over 340 area children. Supplies may be dropped off at Sharing & Caring during business hours. The drive ends July 28. Thank you for helping our children have the supplies they need to succeed in school! Financial donations are also accepted, and will be used to purchase supplies not donated directly.**
